Marine Metadata Interoperability

# Big Wins

- New website is up as of July 7, 2008
- Near-exact content replica of old site
- Major bugs knocked out
- New features added often

# Under Repair

- Internal links (~500 broken)
- Missing pages that were on old site (~500)
- Locating content / placing content in a location

# Missing Pieces

- Email integration (email lists for teams, online archive)
- Content review
- Content lifecycle
- More?

# Future Opportunities

- Working in collaboration online
- Streamlining access to useful content
- Hosting projects

# How You Can Help

- Point out problems and mistakes
- Honest feedback
- Content reviewers
- Suggestions, ideas, wishlists

# Questions?
